PUBLISHERS' CO-OP

YOUR FAVORITE PUBLISHERS – ALL IN ONE SPOT!

Friendly, accessible series nonfiction for Pre- grade 3. Amicus incorporates both vivid photography and appealing illustrations to represent a diverse world of people and ideas from a child's eye perspective.

Bearport delivers exciting, creative, high-interest content that gets kids interested in reading, even if they are struggling or reluctant readers. With vivid illustrations and full-color photos, age-appropriate vocabulary, and close picture-text match, Bearport books are perfect for grades PreK-8.

Entertaining series nonfiction for grades 2-6. Black Rabbit Books pairs high-interest topics with bold graphic design and playful tone to engage readers from grades 2-6.

Each Bookstaves title has a unique, constantly updated page on 12StoryLibrary.com, featuring a curated selection of news, web resources, and live feeds. As an added bonus, readers can use the QR code on their print book to unlock a free e-book edition of the same title.

Beautifully designed picture books and series nonfiction for kindergarten through high school. Creative Education pairs literary text with arresting images to inspire learning across a broad range of subjects.

Jump! publishes fun, low-level on curriculum-aligned subjects for beginning readers. Our books combine vibrant colors with captivating photos and corresponding text to draw readers into the subject and encourage reading success. Jump! books are perfect for grades PreK-5.

Kaleidoscope publishes narrative corresponding web tools to help children develop literacy skills and learn how to deal with the realities of a new age of information. Kaleidoscope books are geared towards kids in grades 2-5.

With a focus on core curriculum areas including current issues, social studies, history and health/science, ReferencePoint publishes high-quality for grades 6-12 learners and researchers. Each title serves as a foundation for student assignments and learning by providing relevant background, context, perspective, statistics, and supporting images on current and historical topics.
